

THERE ARE NO DETERIORATION TIMES INDICATED FOR OUR PRODUCTS, RESPECTING THE DUE WASHING INSTRUCTIONS.

HOWEVER, FOR A GOOD LIFE OF THE PRODUCT IT IS APPROPRIATE TO ALWAYS USE NEUTRAL LIQUID DETERGENTS, AS THEY DO NOT CONTAIN OPTICAL BLEACHES AND THEY ARE NOT POSITIONED INSIDE THE BASKET OR IN CONTACT WITH THE GARMENT, THEY CANNOT BE STAINED IF THEY CANNOT BE STAINED.

FURTHERMORE, WE WOULD NOTICE THAT A PROLONGED AND CONTINUOUS EXPOSURE TO LIGHT CAN LEAD TO A DISCOLORATION OF THE PRODUCTS, IT IS THEREFORE RECOMMENDED, ESPECIALLY IN SUMMER, TO LAY THE GARMENTS IN THE SHADOW TO AVOID FADING AND EARLY WEAR.

BELOW ARE THE WASHING INSTRUCTIONS AS PER THE LABEL:

WASHING MUST HAVE A MAXIMUM TEMPERATURE OF 104°

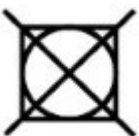

DO NOT BLEACH

IRON AT A MAXIMUM TEMPERATURE OF 302° F

DRY CLEAN WITH PERCHLORETHYLENE

DO NOT CENTRIFUGATE
